#### Remarks

Welcome to this beautifully maintained brick ranch that combines comfort, peace of mind, and an inviting atmosphere for your next chapter. With 3 bedrooms, 1.5 baths, a 2-car garage, and a private backyard oasis, this home balances classic charm with smart updates. The open design flows seamlessly from the kitchen into the dining area and family room, making the home both welcoming and functional. The home features three comfortable bedrooms, each with ceiling fans to help keep air moving year-round. Natural light streams through the windows, giving each room a bright, cheerful feel. One of the standout features of this home is the finished basement, offering a whole new level of space and opportunity. Step outside, and you'll find yourself in a private backyard sanctuary. Mature trees and landscaping create a natural sense of privacy, turning the yard into a space where you can truly relax. The living room is bright and welcoming, filled with natural light from the large picture window. Crown molding and hardwood floors add timeless charm, while the open layout makes this space ideal for both entertaining and everyday living. The additional Family Room is expansive, featuring a vaulted ceiling and a cozy fireplace and expansive space. Perfect as a gathering hub, home office, or
